KYBYBOLITE MEMORIAL SPORTS CLUB

Dear

Season 2022 is upon us...

Sponsors are integral and valued members of the Kybybolite Memorial Sports Club community, and we thank you for your previous and prospective support. Your contributions assist the KMSC in providing a unique and enviable sporting hub for our members and the wider community to enjoy.

As I approach nearly 12 months into the role of KMSC President, it has been an exciting time for the Club. We have witnessed an influx of young, fresh faces into the senior ranks both on the courts and the oval, while our junior numbers continue to remain strong across the grades.

The KMSC committee with Football and Netball clubs, and valued support of many volunteers, sponsors, and local businesses, have completed several major projects over the past 12-18 months. These include the installation of solar panels on the clubrooms, painting of the clubrooms, new trainers' rooms, and installation of the popup sprinklers on the oval.

Robert Bull and Brad Redding (Redding Electrical & Solar) have put in countless hours designing and applying for a significant grant which has most recently seen the installation of new towers and lights for the football oval and new lights for the netball courts. These are state of the art and second to none within our League. I would like to thank all the businesses and individuals that have contributed to completing these projects, your generosity is appreciated and will see us well into the future.

The Kyby Women's Football (KWFC) team have already kicked off their season. The passion and enthusiasm that Sarah Ottoson-Crossling and Crozzy put into the development of the women's game is a testament to its success on and off the field. This will be the 2nd year for the under 16 team, developing a pathway for these girls into the senior ranks is essential to its longevity and we wish both teams every success in 2022.

Hayley Walter and Paul Russell (Fraggle) have continued on as Netball and Football Presidents. Their no fuss can do attitudes, along with the support from their committees, get our teams up every week and they provide exceptional leadership for the players and supporters of our Club.

2021 saw a developing A grade football side put together some good wins. Scott Carberry will continue as coach in 2022. Ex junior and senior players Bill Lawrie and Sean Munn are returning to wear the Yellow and Black this year. With their experience and skill they will bolster the stock of young, talented locals from last year and put us in good stead for 2022. Craig Slotegraaf will step into the senior coaching ranks as Reserves coach.

Charlee Hodges will lead the A grade netball coaching role in 2022. Her knowledge and experience of the game and fresh ideas are already being felt across the Netball Club. We are all optimistic this is the dawn of a successful era for the Netball Club.

2021 provided some success for the Club with the Senior Colts taking out the Premiership. Congratulations to Andrew Shepherd and his Senior Colts boys and we look forward to seeing these boys playing in the senior ranks in years to come. We also acknowledge the achievements of the KWFC, Reserves and Junior Colts football, and the B grade and Division 2 netball girls who also experienced finals fever in 2021.

As the season start approaches, we look forward to a successful season on and off the field and we invite you to be a part of our journey through sponsorship of goods, services, or monetary donation.

If you would like to personally discuss any of the sponsorship packages or pledge towards the Club, please do not hesitate to contact myself or Robert Bull on the details below.

Yours sincerely,

Jason McLure
