## KYBYBOLITE MEMORIAL SPORTS CLUB

Dear

Season 2023 is upon us...

Sponsors are integral and valued members of the Kybybolite Memorial Sports Club community, and we thank you for your previous and prospective support.

The KMSC committee with the Football and Netball Clubs, value and recognise the support of many volunteers, sponsors, and local businesses, that contribute to the Kyby Sporting community. Your contributions assist the KMSC in providing a unique and enviable sporting hub for our members and the wider community to enjoy. Your generosity will support us to continue to field competitive teams across football and netball and ensure the continued maintenance and upgrade of our facilities.

The Kyby Women's Football (KWFC) team have already kicked off their season. Sarah Ottoson-Crossling's passion continues to ensure the Veolia Limestone Coast ALF Women's League and Kyby continue to pave the way in women's football. While we welcome new senior coach, Chris 'Snowy' Boston and wish him and the girls the best of luck, we acknowledge the years of dedication showed by Luke 'Crozy' Crossling as the inaugural coach, and on his success at the helm. This will be the 3rd year for the Under 16 girls team, and developing a pathway for these girls into the senior ranks is essential to its longevity and we wish both teams every success going forward.

Hayley Walter and Paul Russell have continued as Netball and Football Presidents. Their no fuss can do attitudes, along with the support from their committees, get our teams up every week and they provide exceptional leadership for the players and supporters of our Club.

2022 saw a developing A Grade football side put together some good wins. Ex Junior Jack 'Chipper' Kelly has been appointed A Grade Coach and pre-season is well underway. Craig Slotegraaf has continued as Reserves coach. The Club would like to thank Scott Carberry for his many years of service to the Club as a coach and senior player.

Charlee Hodges will continue as the A grade netball coach in 2023. Last year saw Charlee lead the girls to a finals berth and she is hungry as ever to take the girls deeper into finals this season.

2022 provided some success for the Club with the Senior Colts and Senior Women's side taking out Premierships. Congratulations to coaches, Mark Brown, and Dan Brodie, of the Senior Colts and Crozy with Women's football and many witnessed the heartbreaking one-point loss to the Junior Colts in the Grand Final. We also acknowledge the achievements of the Reserves Football, C Grade and Division 3 netball teams who also experienced finals fever in 2022.

As the season start approaches, we look forward to a successful season on and off the field and we invite you to be a part of our journey through sponsorship of goods, services, or monetary donation.

If you would like to personally discuss any of the sponsorship packages or pledge towards the Club, please do not hesitate to contact myself or Robert Bull.

Thank you for your consideration,
